SUMMARY

Front-end web developer with over 2 years of hands-on experience building projects using a diverse set of technologies. My skills include mastering HTML, CSS, JavaScript, ReactJS and NodeJS, using essential tools such as Git, GitHub, Visual Studio Code.

In addition to my Front-end skills, I also have knowledge of Back-end development, in my projects I have implemented everything from SQL to NO-SQL databases i have used NodeJS using Express as a framework to build these Apis that I then consume on the client.

EXPERIENCE

Web Developer
Freelancer
📅 11/2023 - Present   📍 Colombia

implemented personalized solutions for each client, solving their problems.
